100 East Pratt Street will start utilizing **One Call Now** to alert tenants of high impact activities affecting the building. Examples of alerts can include building closure due to snowstorm, loss of water due to city main break or a power outage. **Note:** Contacts listed may receive these alerts during business hours, after-hours, as well as on weekends.

Each tenant can provide up to five (5) cell phone numbers and five (5) email addresses, preferably those who agree to receiving voice recorded calls, text messages and emails after hours and on the weekends, and can relay the notifications to their internal team as needed.

**Please Note:** All voice alerts will continue to redial until someone answers the call.
